FEATURED TESTIMONIALS

I would like to take this opportunity to thank PrabhNair who was instrumental in getting me certified for CISA. This has been achieved by me with his extraordinary skills of mentoring and his guidance. One stop qualified trainer for toughest certifications with success guaranteed.

 **Naveen N**

Senior Information Security Consultant at Epsilon

I want to express my deepest gratitude for Prabh Nair who helped me to pass CISSP exam. Prabh went the extra mile to assist me, and I have gained a significant benefit because of his knowledge and skills in Information Security.

 **Shailesh Vishwakarma**

Firewall Mgmt | CSOC Monitoring in Deloitte

I highly recommend Prabh as a Trainer and consultant but more than that as a coach and mentor. I've rarely worked with such a dedicated and hardworking individual who truly cares about his clients and his work. He will make a difference for you and your business.

 **Sachin Dravid**

IT Service management Head (TMF Group)

Prabh is an exceptional trainer I have seen in Information Security. Getting trained for CISSP under him was the right decision I made. He is very patient and hardworking trainer who delivers security concepts in a more efficient way which connects to real world examples. I would give 10 out of 10 rating for his CISSP training.

 **Srinivas Reddy Sudhini**

Senior Information Security Specialist
(BA Continuum India Pvt. Ltd.)

Prabh has been instrumental in supporting me and making sure that the security concepts are clear and well understood. The thing that impresses me the most about Prabh is that he takes his personal time out to help you out whenever you need clarifications on any of the security topics, the greatest quality in a tutor!

 **Sankarankutty Sureshkumar**

Technology Risk Advisor at Deloitte Australia

Prabh is an Amazing instructor. Good things about his teaching is that he always uses a layman examples to explain the various topics which are easy to understand and hard to forget and he is always available to answer any doubts or queries. I would highly recommend trainings offered by Prabh.
