Master ITGC, IAM, TPRM

Scale Audit Operations

Lead with Confidence

Career Recognition Certificate

Speaker

Aarti

17+ Years of Experience

CISA | CSX | CIA (Part 1) | Cloud Compliance Risk & Audit Specialist

Aarti is a battle-tested IT audit and risk management professional with deep expertise across Big 4 consulting, global financial institutions, and regulatory environments.

Her specializations include:

- ITGC audits and regulatory compliance (GDPR, UK SOX, FCA/PRA)
- Operational resilience and data governance
- ISO standards, NIST frameworks, and COBIT implementation
- Cybersecurity risk assessment and cloud compliance

With leadership roles at PwC, AXA XL, and JUST Group, Aarti has architected transformative governance programs that bridge technical risk with business strategy.

She doesn't just teach frameworks—she shows you how to apply them under pressure, at scale, with real business impact.

Masterclass Agenda
